The Alexander Training Institute of Los Angeles, Inc. (henceforth known as “ATI-LA”) offers a three-year professional teacher training course leading to *certification* as a teacher of the Alexander Technique.

Training to become a teacher of the Alexander Technique involves learning to direct others in the discovery and application of the principles.

GENERAL:

ATI-LA offers the following:

1. Three-Year Teacher Training Course (TTC):
 - a. The TTC is a three-year program comprised of 1620 training hours leading to *certification* as a teacher of the Alexander Technique.
 - b. The TTC is a course of study and training in the principles of “psychophysical re-education of the use of self” as discovered by F.M. Alexander: recognition of the force of habit, faulty sensory perception, inhibition, direction, means-whereby and end-gaining.
 - c. This method of psycho-physical re-education develops an in-depth understanding and a highly refined experience of natural coordination and functioning. Participants learn to identify, evaluate and change habitual patterns in daily life. As a trainee, you will learn to direct others in the discovery and application of the principles.
2. Provisional Interval – provides an opportunity to join the TTC to determine whether or not training to be an Alexander Technique Teacher at ATI-LA is appropriate. This Provisional Interval does **not** lead to *certification* as a teacher of the Alexander Technique unless the student continues on the three-year TTC. If the student continues as a trainee on the three-year TTC within six months of completion of the six-week provisional period, credit hours may be applied toward hours for *certification*.
3. Post-Graduate Studies – provides an opportunity for certified teachers of the Alexander Technique to join the TTC to refine and refresh their teaching skills. The cost is determined by the hours spent on the course.
4. Seminars – for the community of certified Alexander Technique Teachers and the public.

If commitment is made to continue the course, dismissal will occur only in the case of unsatisfactory work or conduct as determined by the Co-Director/Faculty of the school.

State Law requires that progress reports be kept. ATI-L.A. will prepare no hard letter or number grade, but progress reports will be written at least three times a year, and these will be available to the trainee for perusal and discussion. Trainees are cautioned that State Law requires this institution to maintain trainees' records for only five years. Records include certificate granted and the date granted, the course on which the certificate is based. No specific grades are given and student's progress is assessed by the faculty on the basis of their skill level and understanding of the Alexander Technique. ATI-LA abides by and enforces the AmSAT rule that all trainees must undertake not to hold themselves out as Alexander Teachers, nor teach the Alexander Technique, except as supervised and permitted by the Training Directors, until they have duly qualified and have received an official Certificate of Completion from ATI-LA.

TRAINEE STATUS AND CONDUCT:

The American Society for the Alexander Technique (AmSAT) is a professional organization of Alexander Technique teachers in the United States. ATI-LA is approved by AmSAT, provides training that meets the AmSAT Teacher Certification requirements, and abides by AmSAT's By-Laws. Becoming a trainee on an AmSAT approved training course automatically confers AmSAT trainee membership to the trainee. If a fee is required, it will be paid by the trainee.

As trainees of ATI-LA and trainee members of AmSAT, trainees are expected to abide by AmSAT's Code of Professional Conduct during their time on the training course. If a trainee's conduct violates the Code as determined by the Director, faculty and, if necessary, AmSAT's Professional Conduct Committee, the trainee may be dismissed from the course. Trainees will be provided AmSAT's professional conduct policy during the enrollment process.

Trainees are expected to conduct themselves as students in an environment of positive learning. Any marked departure in the form of conduct detrimental to this environment, as determined by the Co-Directors/Faculty, could result in dismissal.

RIGHT TO REFUSE ADMISSION:

The Alexander Training Institute of Los Angeles is an educational, nonsectarian, nondiscriminatory teaching institution. However, the Director(s) reserve the right to refuse admission.

TRANSFER OF CREDIT HOURS:

ATI-LA has no binding agreements with other Educational Institutions, including other AmSAT-approved training courses. The maximum number of credit hours that ATI-LA will accept from another school is 1060 credit hours. If the trainee has had previous training at an AmSAT approved, AmSAT Affiliated Society approved teacher training course appropriate credit may be allowed at the discretion of ATI-LA's Co-Director(s). An assessment of the applicants understanding of the Alexander Technique and the applicant's skill level will be done by one of the Co-Directors. If the applicant feels the assessment is inappropriate, he/she may apply to another Co-Director of the course. ATI-LA does not offer credits for experiential learning (life experience).

In order to receive a certificate of completion from ATI-LA, the last year of training must be completed at ATI-LA. The final year of training is 36 weeks or 540 hours. The first two years or 1060 hours may have been completed on another course. The completion of hours at another course for Alexander Technique Teacher Training should be documented by that courses' Director of Training. ATI-LA has not entered into specific transfer or articulation agreements with any other training courses.

The transferability of credits earned at ATI-LA is at the complete discretion of the institution to which the transfer is sought. Acceptance of credit-hours earned in any other F.M. Alexander Teacher Training Program is also at the complete discretion of the institution to which transfer is being sought. If the credit-hours earned at ATI-LA are not accepted at the institution to which transfer is being sought, repetition of some or all coursework may be required at that institution. For this reason, all prospective trainees should make certain that attendance at ATI-LA will meet intended educational goals. This may include contacting an institution to which transfer may be sought after attending ATI-LA to determine if the ATI-LA credit-hours will transfer.

ATTENDANCE:

Attendance is mandatory at each of the five sessions per week. State law requires that absences be recorded, and failure to attend regularly could result in dismissal.

Definitions:

- **ATI-LA School Year** = Three Consecutive Trimesters, initiated by the trimester in which the trainee’s start date occurs.
- **“Absences”** = Daily Sessions or partial sessions missed.
- **“Make-up credits”** = the *allowed* credits given for making up absences.
 - May *only* be applied to absences that have already occurred.
 - Are *only* transferrable between **trimesters** of a given ATI-LA School year.
 - Are *not* transferrable between ATI-LA School **Years**.
 - Need to be completed prior to graduation.

Attendance Policy:

Applicable During All Three School Years of Training:

1. Maximum allowed absences (for whatever reason) not requiring make-up credits: no more than six (6) in each ATI-LA School Year.
2. Maximum allowed make-up credits: no more than ten (10) for each ATI-LA School Year.
3. Absences (for whatever reason) exceeding sixteen (16) per ATI-LA School Year will automatically add required additional time on the training course at the trainee’s expense.
4. Make-up credits can be obtained as follows:
 - Attendance of annual ACGM workshops and participation on ATI-LA recognized residential courses that have designated sessions for trainees with applicable credit as follows:
 - Three-hour workshops = make-up credit for **one Daily Session**.
 - 1.25 to 1.5 hour workshops = make-up credit for **one half session**.
 - Small groups and private lessons at these events = credit for **one half session**.

Applicable During the First Two School Years of Training only:

1. Make-up credits can also be obtained as follows: Private lessons, but these may *only* be with an ATI-LA Board/Faculty member*, the trainee’s original teacher, or any teacher with ten (10) or more years’ teaching experience who is a member of AmSAT or an AmSAT Affiliated Society. One private lesson = make-up credit for one Daily Session.

During the final/third School Year of Training:

1. Make-up credits can also be obtained as follows: Private lessons, but these may *only* be with an ATI-LA Board/Faculty member* or a training director of an AmSAT approved training program or AmSAT Affiliated Society. Such lessons are to be teacher-training oriented.

* Make-up credit private lessons given by ATI-LA Board/Faculty members are set by the ATI-LA Board of Directors each year.

Tardiness: Students arriving to class more than 15 minutes late will be marked for tardiness according to the amount of time missed. This missed class time will be recorded cumulatively at the end of each trimester and such time will be subject to these attendance requirements, including make-up sessions, if applicable.

Leave of Absence: If it becomes necessary for a trainee to drop out of class temporarily for any reason, ATI-LA reserves the right to fill the resulting vacancy with another trainee. The trainee taking the leave of absence will become eligible to re-enter the class at the first subsequent opening. Alternatively, a trainee may retain his/her place by payment of the regular term fee for the term missed. In this case, the total course fee would increase by that amount, since the trainee would still be expected to attend and pay for his/her full 1620 hours of training.

TRAINEE COMPLAINTS:

Trainees may register complaints verbally or in writing to the Co-Director(s) of the school. Co-Director(s) can be regularly available one half hour before and after scheduled class hours. If a complaint is against a Co-Director, a Co-Director/Faculty member will be appointed by the Board of Directors to fulfill the obligations of investigating a complaint. Any questions or complaints that have not been satisfactorily answered by the Co-Directors of ATI-LA may be addressed to The American Society for the Alexander Technique (AmSAT), Attention: Professional Conduct Committee (PCC). Please see the following link: <http://www.amsatonline.org/members/committee/professional-conduct> .

Co-Director(s) have the authority:

1. To investigate complaints, including interviewing all people and reviewing all documents that relate or may potentially relate to the complaint.
2. To reject the complaint if, after investigation, it is determined to be unfounded, or to compromise or resolve the complaint in any reasonable manner, including the payment of a refund.
3. To record a summary of the complaint, its disposition, and the reasons; place a copy of the summary, along with any other related documents, in the trainee's file, and make an appropriate entry in the log of trainee complaints.
4. If the complaint is valid, involves a violation of law, and is not resolved within 30 days after it was first made by the trainee, to notify the Council, and law enforcement authorities of the complaint, investigation, and resolution or lack of resolution. A person who has a duty to provide notice under this paragraph is not required to disclose any matter to the extent of that person's privilege under Section 940 of the California Evidence Code.
5. If the complaint is valid, to determine what other trainees, if any, may have been affected by the same or similar circumstances and provide an appropriate remedy for those trainees.
6. To implement reasonable policies or procedures to avoid similar complaints in the future.
7. To communicate directly to any person in control regarding complaints, their investigation, and resolution or lack of resolution.

If a trainee orally delivers a complaint and the complaint is not resolved either within a reasonable period or before the trainee again complains about the same matter, the institution shall advise the student that a complaint must be submitted in writing and shall provide the student with a written summary of the institution's complaint procedures.

If a trainee complains in writing, the institution shall, within 10 days of receiving the complaint, provide the trainee with a written response, including a summary of the institution's investigation and disposition

of it. If the complaint or relief requested by the student is rejected, the reasons for the rejection will be noted.

The trainee's participation in the complaint procedure and the disposition of a trainee's complaint shall not limit or waive any of the trainee's rights or remedies. Any document signed by the trainee that purports to limit or waive the trainee's rights and remedies is void.
