ATI-LA MISSION

The Alexander Training Institute provides teacher training in the F.M. Alexander Technique, a system of psychophysical re-education. Our mission is to ensure that trainees develop a deep understanding of and embody the core principles of the Technique, as outlined in F.M. Alexander's books and passed on to the faculty by teachers of previous generations.

While providing a traditional foundation for teaching the Technique, we encourage individual exploration and growth in a supportive, stimulating environment.

We envision our graduates will teach the Alexander Technique, inspiring and empowering the individual to become more conscious through integration of the whole Self, thereby responding effectively to the challenges of an increasingly complex world.

WELCOME to ATI-LA

The eclectic teaching styles of our faculty, based solidly on F. M. Alexander's principles, demonstrate an exciting variety of approaches to teaching the Alexander Technique. We explore teaching classic F. M. Alexander procedures, teaching and learning through daily activities, performance skills, and individual trainees' personal interests. Our trainees benefit from our interest in preserving the traditional pedagogy and exploring new developments in the Technique.

Through our expertise, extensive professional experience, and this unique collective, we offer an exceptionally rich, dynamic Teacher Training Course.

TEACHER TRAINING COURSE INFORMATION (TTC):

The TTC is a **three-year** program comprised of 1620 training hours leading to *certification* as a teacher of the Alexander Technique. It is a course of study and training in the principles of “psychophysical re-education of the use of self” as discovered by F.M. Alexander: recognition of the force of habit, faulty sensory perception, inhibition, direction, means-whereby and end-gaining. This method of psychophysical re-education develops an in-depth understanding and a highly refined experience of natural coordination and functioning. Participants learn to identify, evaluate and change habitual patterns in daily life.

Course Title: *Alexander Technique Teacher Training Course (TTC)*

Duration: 1620 total training hours

ATI-LA is not accredited by an accrediting agency recognized by the United States Department of Education. However, it is approved by the American Society for the Alexander Technique (AmSAT), the largest professional organization of teachers of the Alexander Technique in the United States.

TTC SCHEDULE:

The three-year training course at ATI-LA is comprised of nine trimesters for a total of 108 weeks. Each School Year has three multi-week trimesters per year, one 13-week trimester, one-12 week trimester and one 11-week trimester. There are 16 vacation weeks per year. The course covers three years - a total of 108 weeks, in nine trimesters. The current class schedule is available on request.

School Holidays: Christmas, New Year's, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and the day after Thanksgiving, three days for professional meetings (AmSAT annual conference), and individual religious holidays.

Hours: The training program meets in Daily Sessions from 9:30 a.m. to 12:30 p.m., Monday through Friday. The administrative office is open five days a week, 9:00 a.m. to 1:00 p.m..

Important scheduling information (operating hours, holidays, vacations, class schedules, and revisions of them) will be announced to trainees in advance.

CURRICULUM:

Training to become a teacher of the Alexander Technique involves learning to direct others in the discovery and application of the principles. Though it is presented in a group setting, the training is individual. At least 80% of the total class hours consists of practical work in the Alexander Technique. The average ratio of students to certified teachers shall be not more than 5:1 during practical work, and each trainee will receive personal instruction from one or more faculty members each day. Topics not covered during personal instruction time are covered with the whole class in addition to the personal instruction time. The following is a list of topics covered, with estimated hours, during each individual's training:

Estimated Breakdown of Training Hours:

Daily personal instruction in the Alexander Technique	342
Understanding postural efficiency at rest and in movement	108
Observation and diagnosis of postural inefficiency	108
Applying the Alexander Technique to skills and activities	254
Use of the self while conveying the Technique to others	288
Communication between teacher-trainee and "student"	152
Anatomy and movement	144
Practice teaching	224

In addition, there is continuing discussion of the Alexander Technique principles and of the body of literature by F. M. Alexander and others regarding the Technique. ATI-LA has a library on location with at least one copy of the books used in class.

LIBRARY:

ATI-LA has an extensive library with books, DVDs and other materials on the Alexander Technique and related topics which is accessible to the trainees. Periodically the trainees will need to purchase reading materials for required reading assignments.

ATI-LA ALSO PROVIDES:

1. Provisional Interval – provides an opportunity to join the TTC to determine whether or not training to be an Alexander Technique Teacher at ATI-LA is appropriate. This Provisional Interval does **not** lead to *certification* as a teacher of the Alexander Technique unless the student continues on the three-year TTC. If the student continues as a trainee on the three-year TTC within six months of completion of the six-week provisional period, credit hours may be applied toward hours for *certification*.
2. Post-Graduate Studies – provides an opportunity for certified teachers of the Alexander Technique to join the TTC to refine and refresh their teaching skills. The cost is determined by the hours spent on the course.
3. Seminars – for the community of certified Alexander Technique Teachers and the public.

The trainee has the right to cancel the enrollment agreement and obtain a refund using the following guideline:

- The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.
- The effective date of notice of withdrawal will be the postmark date, or the date of the email to which the PDF of the notice is attached or the date on which the notice of withdrawal is delivered to ATI-LA by the Trainee.

- The written notice is to be sent to Lyn Charlsen Klein, Head of Training, Alexander Training Institute of Los Angeles, 1526 14th St., Suite 110, Santa Monica, CA 90404 or lynteaches@sbcglobal.net or Info@atinstitutela.com.

WITHDRAWAL and LEAVE OF ABSENCE POLICIES

Withdrawal

Trainees who withdraw from the course once they have completed 61% or more of the first trimester of the course are **required to give 6-weeks written notice** or they will be responsible for payment of the whole trimester involved.

Leave of Absence

Trainees who need to take time off during a trimester but are not withdrawing from the course are responsible for payment for the whole trimester involved. **Six-weeks' written notice is requested** for Leave of Absence.

The trainee taking the leave of absence will become eligible to re-enter the class at the first subsequent opening. In this case, the total course fee would increase by that amount, since the trainee would still be expected to attend and pay for his/her full 1620 hours of training.

If a trainee is taking a leave of absence due to hardship, along with the six-weeks' notice the trainee may petition ATI-LA, in writing, to waive a portion of the payment for the trimester involved. Granting such a waiver will be at the discretion of the directors.

Mandatory Leave of Absence

If the School Directors determine that an injury or illness creates a safety hazard to other persons at the school, or otherwise significantly prevents a trainee from participating in his or her program of study at

the desired level of commitment and/or skill, the School Directors may, with or without warning, issue a Mandatory Leave of Absence. Notification will be via a written notice indicating the date range and reason for the Mandatory Leave of Absence. The School Directors will propose a means whereby the trainee can make up incomplete coursework. This Mandatory Leave of Absence is in lieu of dismissal from the school because the School Directors have determined that upon healing from the injury or illness, the trainee will be able to reenter their program of study at the desired level of participation. If a trainee does not agree to the terms of the Mandatory Leave of Absence, the trainee can choose to withdraw from the school (See “Trainee Right to Cancel”).

ATI-LA does not participate in or administer any Federal or State financial aid programs.

The following information is required by the State Bureau for Private and Postsecondary Education:

 - (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.

NOTICE: YOU MAY ASSERT AGAINST THE HOLDER OF THE PROMISSORY NOTE YOU SIGNED IN ORDER TO FINANCE THE COST OF THE EDUCATIONAL PROGRAM ALL OF THE CLAIMS AND DEFENSES THAT YOU COULD ASSERT AGAINST THIS INSTITUTION, UP TO THE AMOUNT YOU HAVE ALREADY PAID UNDER THE PROMISSORY NOTE. *

*ATI-LA doesn't provide loans; however, tuition is collected by term.

TRAINEE PROGRESS/RECORDS MAINTENANCE:

The trainee's first year will represent a probationary period, terminating with a Director/faculty appraisal to consider the trainee's suitability for continued training. If commitment is made to continue the course, dismissal will occur only in the case of unsatisfactory work or conduct as determined by the Director/Faculty of the school.

State Law requires that progress reports be kept. No "letter grades" are given; a student's progress is assessed by the faculty based on skill level and understanding of the Alexander Technique. Progress reports will be written at least three times a year, and these will be available to the trainee for perusal and discussion. Records include transcripts, attendance log, copy of certificate granted and the date granted, the course on which the certificate is based, and if applicable withdrawal & cancellation logs. ATI-LA will *permanently maintain trainee transcripts only*. Trainees are cautioned that State Law requires this institution to maintain trainees' records for only five years.

Satisfactory Progress

A trainee must maintain a satisfactory level of progress throughout the year. The faculty meets regularly to discuss trainees' progress. If a trainee's work is deemed unsatisfactory, he/she will be notified with a written evaluation of unsatisfactory progress and will be put on probation as outlined below. Any problems occurring after a probation period can become possible grounds for further administrative action (including possible expulsion) without a new probation period.

TRAINEE STATUS AND CONDUCT:

AmSAT Conduct

The American Society for the Alexander Technique (AmSAT) is a professional organization of Alexander Technique teachers in the United States. ATI-LA is approved by AmSAT, provides training that meets the AmSAT Teacher Certification requirements, and abides by AmSAT's By-Laws. Becoming a trainee on an AmSAT approved training course automatically confers AmSAT trainee membership to the trainee. If a fee is required, it will be paid by the trainee.

As trainees of ATI-LA and trainee members of AmSAT, trainees are expected to abide by AmSAT's Code of Professional Conduct during their time on the training course. If a trainee's conduct violates the Code as determined by the Director, faculty and, if necessary, AmSAT's Professional Conduct Committee, the

trainee may be dismissed from the course. Trainees will be provided AmSAT's professional conduct policy during the enrollment process.

ATI-LA Conduct

Trainees are expected to conduct themselves as students in an environment of positive learning. Any marked departure in the form of conduct detrimental to this environment, as determined by the Directors/Faculty, could result in dismissal.

ATTENDANCE:

Attendance is mandatory at each of the five sessions per week. State law requires that absences be recorded, and failure to attend regularly could result in dismissal. The Attendance Policy can be found in ATI-LA's catalogue and a separate copy will be provided. Additional fees may apply if make-up time is required and/or the trainee requires more time to fulfill the requirements of certification.

PROBATION & DISMISSAL

A trainee may be put on probation for excessive absence or lateness, as outlined above, for any of the dismissal reasons outlined below, the trainee will be notified in writing of his or her probationary status, the reason(s) for the action, the expectations for advancement through the probationary period, and the date that the probationary period will end. Probation will end with a faculty-trainee meeting wherein the trainee will either be taken off of probation or dismissed. Once a trainee has been put on probation for any reason, any continued unexcused lateness or absence will become possible grounds for further administrative action including possible expulsion without a renewed probationary warning. Determination of the need for a probationary warning is made by the School Directors.

A trainee may be dismissed from the school because:

1. It has been determined that the trainee is not able or willing to participate in the program at the desired level of commitment and/or skill; because he or she lacks the mental, emotional or the physical health to successfully complete the program; or because he or she lacks the maturity to complete the program. Such dismissal will be preceded by a written probationary warning as indicated above. Determination of the need for such a probationary warning and dismissal is made by the School Directors upon the recommendation of the faculty.
2. A trainee may be dismissed from the school for behavior creating a safety hazard to other persons at the school, for disrespectful behavior to other trainees, administrators, faculty members, for sexual misconduct, or for any other stated or determined infraction of conduct. Depending on the severity of the behavior, such dismissal may or may not be preceded by a probationary warning. The possession of weapons or firearms in school facilities is grounds for immediate dismissal.
3. ATI-LA is a drug-free campus. Such laws are strictly enforced and violations can lead to dismissal from the school.

COMPLAINTS/GRIEVANCES:

Trainees may register complaints verbally or in writing to the Directors of the school. Directors can be regularly available one-half hour before and after scheduled class hours. If a complaint is against a Director, a Director/Faculty member will be appointed by the Board of Directors to fulfill the obligations of investigating a complaint. Any questions or complaints that have not been satisfactorily answered by the Directors of ATI-LA may be addressed to **The American Society for the Alexander Technique (AmSAT), Attention: Professional Conduct Committee (PCC)**. Please see the following link: <http://www.amsatonline.org/members/committee/professional-conduct> .

Additionally, questions and complaints can be made to the **BPPE**:

Any questions a student may have regarding this catalog that have not been satisfactorily answered by ATI-LA may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, P.O. Box 980818, West Sacramento, CA 95798-0818, <http://www.bppe.ca.gov/> , +1(888) 370-7589, +1 (916) 431-6959, or by fax: +1 916 263-1897.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet web site www.bppe.ca.gov.

Directors have the authority:

1. To investigate complaints, including interviewing all people and reviewing all documents that relate or may potentially relate to the complaint.
2. To reject the complaint if, after investigation, it is determined to be unfounded, or to compromise or resolve the complaint in any reasonable manner, including the payment of a refund.
3. To record a summary of the complaint, its disposition, and the reasons; place a copy of the summary, along with any other related documents, in the trainee's file, and make an appropriate entry in the log of trainee complaints.
4. If the complaint is valid, involves a violation of law, and is not resolved within 30 days after it was first made by the trainee, to notify the Council, and law enforcement authorities of the complaint, investigation, and resolution or lack of resolution. A person who has a duty to provide notice under this paragraph is not required to disclose any matter to the extent of that person's privilege under Section 940 of the California Evidence Code.
5. If the complaint is valid, to determine what other trainees, if any, may have been affected by the same or similar circumstances and provide an appropriate remedy for those trainees.
6. To implement reasonable policies or procedures to avoid similar complaints in the future.
7. To communicate directly to any person in control regarding complaints, their investigation, and resolution or lack of resolution.

If a trainee orally delivers a complaint and the complaint is not resolved either within a reasonable period or before the trainee again complains about the same matter, the institution shall advise the student that a complaint must be submitted in writing and shall provide the student with a written summary of the institution's complaint procedures.

If a trainee complains in writing, the institution shall, within 10 days of receiving the complaint, provide the trainee with a written response, including a summary of the institution's investigation and disposition of it. If the complaint or relief requested by the student is rejected, the reasons for the rejection will be noted.

The trainee's participation in the complaint procedure and the disposition of a trainee's complaint shall not limit or waive any of the trainee's rights or remedies. Any document signed by the trainee that purports to limit or waive the trainee's rights and remedies is void.

ADDENDUM A:

ATTENDANCE AND MAKE-UP POLICIES

Attendance:

Attendance is mandatory at each of the five sessions per week. State law requires that absences be recorded, and failure to attend regularly could result in dismissal.

Definitions:

- **ATI-LA School Year** = Three Consecutive Trimesters, initiated by the trimester in which the trainee's start date occurs.
- **"Absences"** = Daily Sessions or partial sessions missed.
- **"Make-up credits"** = the *allowed* credits given for making up absences.
 - May *only* be applied to absences that have already occurred.
 - Are *only* transferrable between **trimesters** of a given ATI-LA School year.
 - Are *not* transferrable between ATI-LA School **Years**.
 - Need to be completed prior to graduation.

Attendance Policy:

Applicable During All Three School Years of Training:

1. Maximum allowed absences (for whatever reason) not requiring make-up credits: no more than six (6) in each ATI-LA School Year.
2. Maximum allowed make-up credits: no more than ten (10) for each ATI-LA School Year.
3. Absences (for whatever reason) exceeding sixteen (16) per ATI-LA School Year will automatically add required additional time on the training course at the trainee's expense.
4. Make-up credits can be obtained as follows:
 - Attendance of annual ACGM workshops and participation on ATI-LA recognized residential courses that have designated sessions for trainees with applicable credit as follows:
 - Three-hour workshops = make-up credit for **one Daily Session**.
 - to 1.5-hour workshops = make-up credit for **one half session**.
 - Small groups and private lessons at these events = credit for **one half session**.

Applicable During the First Two School Years of Training only:

Make-up credits can also be obtained as follows: Private lessons, but these may *only* be with an ATI-LA Board/Faculty member, the trainee's original teacher, or any teacher with ten (10) or more years' teaching experience who is a member of AmSAT or an AmSAT Affiliated Society. One private lesson = make-up credit for one Daily Session.

Applicable During the final/third School Year of Training:

Make-up credits can also be obtained as follows: Private lessons, but these may *only* be with an ATI-LA Board/Faculty member or a training director of an AmSAT approved training program or AmSAT Affiliated Society. Such lessons are to be teacher-training oriented.

Tardiness

Students arriving to class more than 15 minutes late will be marked for tardiness according to the amount of time missed. This missed class time will be recorded cumulatively at the end of each trimester and such time will be subject to these attendance requirements, including make-up sessions, if applicable.

Leave of Absence

Trainees who need to take time off during a trimester but are not withdrawing from the course are responsible for payment for the whole trimester involved. **Six-weeks' written notice is requested** for Leave of Absence.

The trainee taking the leave of absence will become eligible to re-enter the class at the first subsequent opening. In this case, the total course fee would increase by that amount, since the trainee would still be expected to attend and pay for his/her full 1620 hours of training.

If a trainee is taking a leave of absence due to hardship, the trainee may petition ATI-LA in writing, along with the six-weeks' notice to waive a portion of the payment for the trimester involved. Granting such a waiver will be at the discretion of the directors.

Further Notes regarding Study in another Training Program:

- To receive credit from another training course, that course must be AmSAT-approved or approved by an AmSAT Affiliated Society.
- While not a requirement, the best practice would be to arrange communication between the training directors of each course before traveling to another course.
- Upon entry/re-entry to ATI-LA from another course, you will be required to provide written documentation of your hours from the training director, whose course you attended. Your progress will also be assessed by ATI-LA training director at this time.

Outside work (Cal Arts, USC, Chapman, Private groups with faculty):

Trainees assisting faculty outside of the training course must first have permission of the Head of Training and be in their final term of training.

Transferring from another training course:

Acceptance of hours from a previous training course is at the complete discretion of ATI-LA's Head of Training and faculty. In order to have a signed teaching certificate from ATI-LA, the trainee is required to spend the full final year on ATI-LA's course at a minimum.
